This email is to acknowledge that on 3/16/2022, Swiss Carbon Assets Ltd. retired 7377 Renewable Energy Certificates (RECs). The issuance and ownership of these RECs has been tracked in the NAR Registry using unique serial numbers to prevent double counting or double selling. Now that these RECs have been retired from the registry permanently, no one else can hold or retire the RECs. Details about the RECs are listed below. Note, the details below represent the entire retirement event, however you may receive multiple emails with attached PDF retirement certificates due to email attachment limitations.

Quantity of Retired RECs: 7377

Date of Retirement: 3/16/2022

Beneficial Owner: EPA Sustainable and Transportation Solutions Board

Additional Details: Retired on behalf of the US EPA Sustainable and Transportation Solutions Board 2021. (Green-e)
